From Presence to Contribution: Supporting a Welcoming Community for People with Intellectual Disabilities

(Offered in English only)

 November 5, 2013

 10:00 a.m to noon

 By Videoconference

 Free

Synopsis

This videoconference will briefly review some important transitions to community- based supports and services as undertaken by the LiveWorkPlay organization over the past five years. This will be followed by a review of how to support individual outcomes in housing, employment, and community life. Additionally, communication strategies for connecting with volunteers, employers, and community partners will be discussed.

Formateur/Trainer

Keenan Wellar, MA

Co- Leader & Director of Communications, LIVEWORKPLAY

Enseignement par la douceur

(Offered in French only)

 15 novembre 2013

 9 h à 16 h

 Pine View Terrain de Golf Municipal
1471, rue Blair., Ottawa

 RCSS Members -50\$ + HST
Non-membres-75\$ + HST

Synopsis

L'enseignement par la douceur (Gentle Teaching) est une philosophie basée sur la psychologie de l'interdépendance. L'intervention vise à développer chez la personne un sentiment de communauté, d'appartenance, de sécurité et d'amitié tout en prévenant les situations stressantes pour l'individu. À la base, cette approche vise à promouvoir chez l'individu un sentiment d'être aimé et en sécurité de façon inconditionnelle.

Formateur/Trainer

Eric Douville

Conseiller en intervention spécialisée
Valoris pour enfants et adultes de P-R

Increasing the Well Being of Individuals with Fetal Alcohol Spectrum Disorder (FASD)

(Offered in English only)

 November 19, 2013

 9 a.m to 4 p.m

 1315 Prince of Wales Dr.
Athena Room,
Ottawa, ON.

 RCSS Members -\$60 + HST
Non-members -\$120 + HST

Synopsis

This workshop will begin with a basic review of FASD. Participants will learn how to identify individuals potentially, who have not yet been diagnosed. Participants will become familiar with the typical developmental profile of an individual with FASD. The workshop will look at FASD and the justice system, and how to advocate and support individuals with FASD through the justice system. Lastly, results of current research will be highlighted.

TDAH Adulte (Partie 1)

(Offered in French only)

20 novembre 2013

10 h à 12 h

Par vidéoconférence

Gratuit

Synopsis

La formation sur le TDAH adulte vise, d'une part, à examiner les antécédents du TDAH pour ensuite mettre en branle un exemple concret de recherche sur les facteurs de risque. D'autre part, elle aborde le lien entre le TDAH et les troubles de l'humeur puisque c'est un phénomène commun de présenter un double diagnostic. Enfin, cette formation est interactive et tient compte des expériences respectives des participants.

Formateur/Trainer

Cameron Montgomery

Professor, Faculté d'éducation de l'Université d'Ottawa

Controlled Acts and the Developmental Disabilities Sector

(Offered in English only)

November 26, 2013

Noon to 1:30 p.m

By Videconference

Free

Synopsis

This presentation will introduce controlled acts outlined in the Regulated Health Professions Act (1991), and will discuss implications in performing these controlled acts in residential group homes. We will discuss main questions related to the Regulated Health Professions Act. Also, solutions to this challenge will be offered by explaining best practices for teaching controlled acts within the Developmental Disabilities Sector.
