Agency, Family, Case Manager

Community Crisis Response Network

Local Access Mechanism

Local Case Resolution could go straight to Regional Case Resolution if the individual does not have mental health diagnoses and/or challenging behaviours, but may need timely access to effective clinical / medical services

Local Case Resolution

CE Specialized Resources
Mobile Resource Team, Video-conferencing, Clinical Services

CE Network of Specialized Care Coordinator

Access to specialized resources through Tri-Regional / Central Network of Specialized Care

CE Regional Case Resolution

CER Specialized Treatment Beds and Clinical Services via: videoconferencing funding.
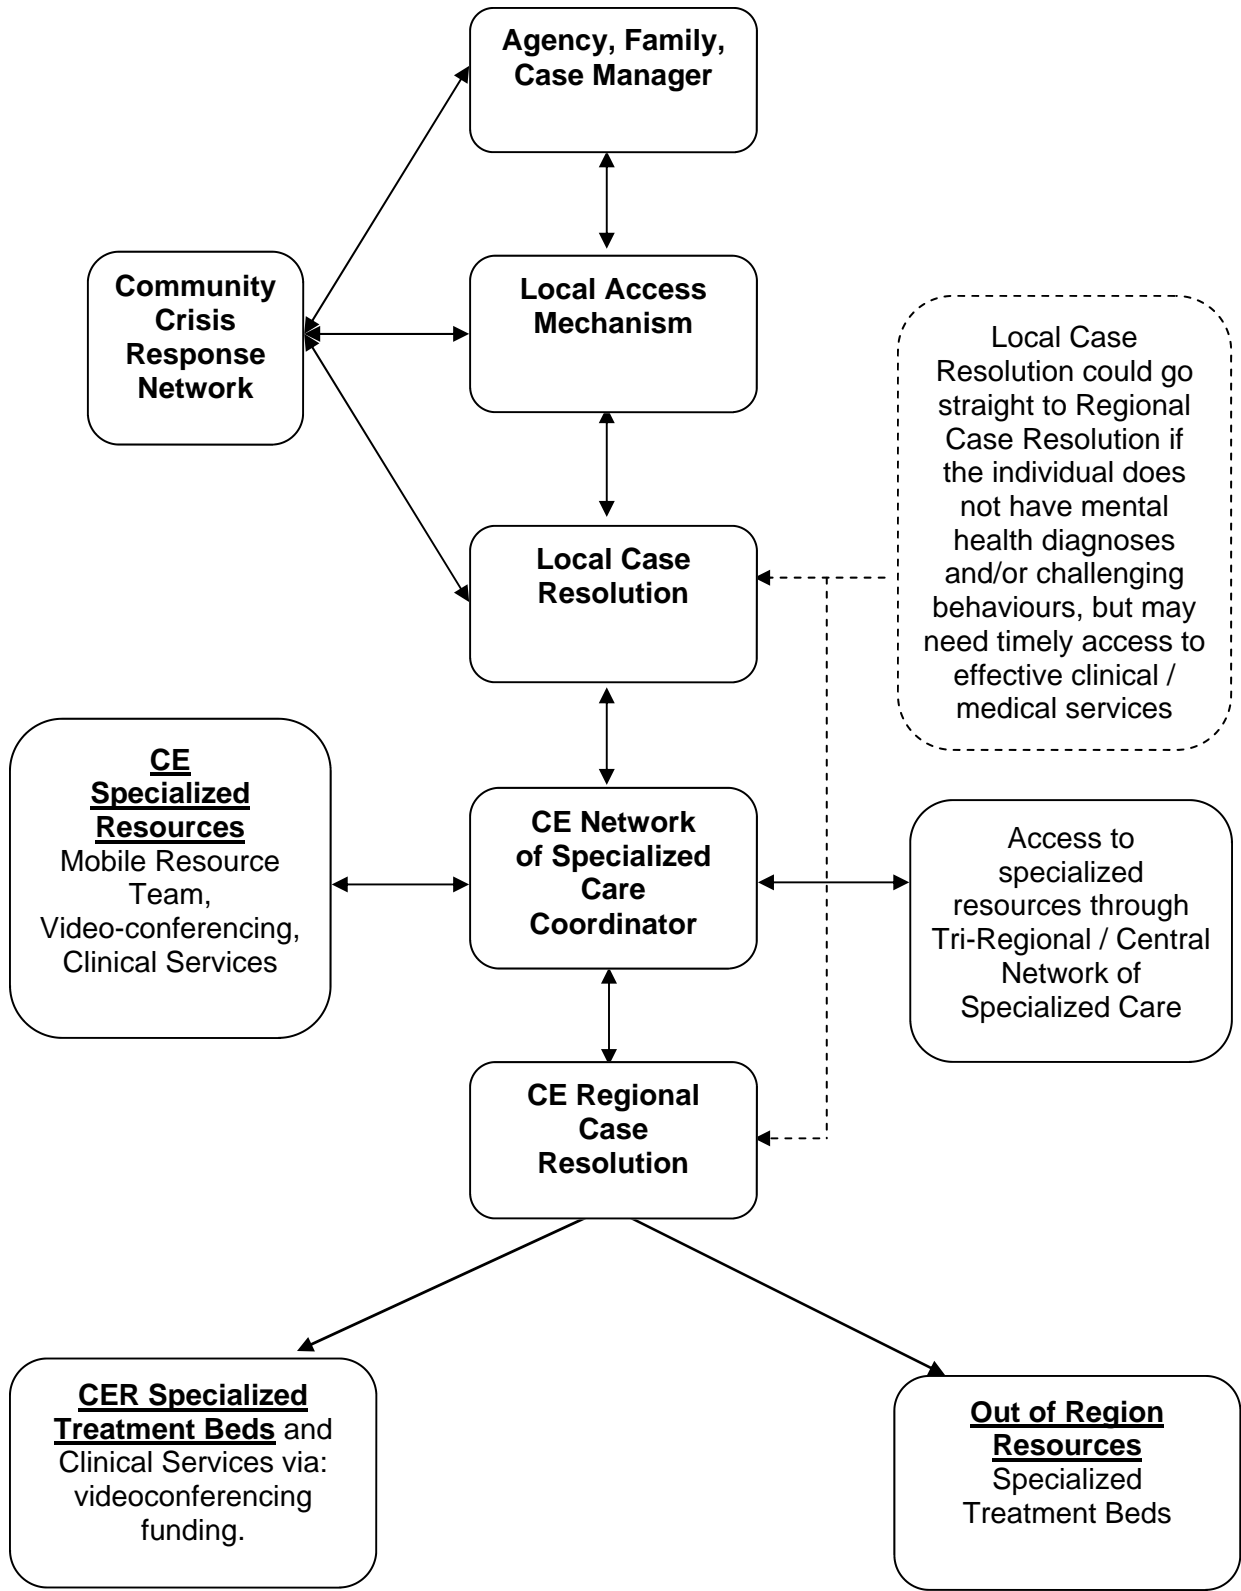

Out of Region Resources
Specialized Treatment Beds

*Based on the present model (prior to consultation with the Access Entities)
