Developmental Disabilities

Course Description

This introductory e-module is intended to be used in conjunction with the BSP Workbook, accessible online. Relevant sections of the *Quality Assurance Measures (QAM)* are highlighted throughout. Topics include: purpose of a BSP, development and implementation requirements, intrusive behaviour interventions, positive behaviour strategies, monitoring and review.

To demonstrate knowledge retention, the learner will complete quiz questions presented throughout the module and a Final Test. The successful learner can print a Certificate of Completion. *This module is *not* intended to teach learners how to conduct a Functional Behaviour Assessment.

WHO SHOULD TAKE THIS FOUNDATIONAL COURSE

- People working under *Quality Assurance Measures regulations (QAM)*
- People supporting adults with a developmental disability who have challenging behaviour/s
- New hires
- Families and caregivers

WHY YOUR STAFF SHOULD TAKE THIS COURSE

- Improve the quality of life of the people you support
- "Just-in-time" training - delivering training when and where you want it
- Develop staff core competencies at time of hire and during employment
- Enhance job experience and promote staff retention
- Level appropriate for staff with/without formal education
- Deliver more training to more staff in a timely fashion
- Flexibility: self-paced with online access to workbook and resources
- And Finally….Cost effective - no travel time and **NO** fee.
